

## RETIREMENT PLANNING QUESTIONNAIRE

*The primary purpose of our investing is to enable us to maintain our standard of living throughout our retirement years.*

This questionnaire will help you to determine whether or not those investment strategies currently in place will enable you, and where appropriate, the surviving spouse, to maintain your current lifestyle(s) throughout your retirement years. The two-thirds offset rule affecting social security income will, where appropriate, be factored into the analysis.

Name: \_\_\_\_\_ Birth date: \_\_\_\_\_  
Retirement date: \_\_\_\_\_

Address: \_\_\_\_\_ Phone: \_\_\_\_\_

City: \_\_\_\_\_ Zip code: \_\_\_\_\_ State: \_\_\_\_\_

Current employer/school: \_\_\_\_\_
